

**DR. MARGRET
BENEDIKZ**

SCHOOL DIRECTOR

BILINGUALISM

How do we face the challenges of living with our children in a bilingual/multilingual environment?

Dr. Benedikz will give a lecture on bilingualism/multilingualism discussing some of the challenges that we face living with our children in a bilingual/multilingual environment. Moreover, she can also present how Swedish education differs from the International Baccalaureate and how universities rank both systems.

Dr Margret Benedikz is the Director of Sigtunaskolan Humanistiska Läroverket. Previously she worked as a lecturer at Stockholm University for 10 years and was a Principal at Internationella Engelska Gymnasiet in Stockholm for a further 8 years.

SSHL TOUR OF CHINA

SSHL is touring China in October. SSSL is a Swedish boarding school providing students both from home and abroad with a high-quality, rigorous education in a boarding school setting. At SSSL, students can begin their education as early as year-class 7 for the IB Middle Years Programme, or at the beginning of High School. Students may choose from several Swedish academic programs or as an alternative the International Baccalaureate in English. As a foundation, SSSL is not run for profit. Remaining funds are re-invested into the school.
